

## CAREER BIOGRAPHY

---

Geoff Sumner is an international corporate banker, non-executive director and an independent financial consultant. He is a banker by profession, defined by one commentator as being from the 'old school bankers' category'. He qualified as an Associate of the Chartered Institute of Bankers (England & Wales) in 1976 (now The London Institute of Banking & Finance) and was elected to Fellowship in 2004. He is an Associate of the Association of Corporate Treasurers, London, England (1996) and a Fellow of the Chartered Banker Institute in Scotland (2002). He holds the République Française Diplôme d' Études en langue française 1er Degré (2001).

He has an extensive track record of success in maximising business performance gained through working with and advising a range of companies and institutions and working with three banks (Lloyds Banking Group, ABN AMRO Bank and NatWest Bank) both in England, Scotland, and in continental Europe. He is the former CEO/Managing Director of Lloyds TSB in France and Belgium having been based in Paris and Brussels. He has detailed and practical knowledge of the EU institutions and processes - notably the European Commission, the European Council and the European Parliament.

He has general management exposure in the running of multi-functional and multi-locational businesses and has specific experience in the fields of: - General Management including Change Management and Transformation; Strategy and Business Planning; HR & Leadership; Legal; Risk Management; Financial Accounting including Credit; Relationship Management; Project Management; International Banking; Treasury & Capital Markets and IT. He has multifaceted experience of working with SMEs and globally-based investment grade corporates in areas related to strategy, risk, performance and people.
